THE LIFESTYLE CONCEPT

The St. George Lycabettus is a unique lifestyle hotel at the foot of the Lycabettus Hill. It is one of the most beautiful and historic hotels in Athens and holds a privileged position on the touristic map. Apart from the high five-star standards of hospitality and modern aesthetic it also stands out due to its unique breathtaking views. It boasts panoramic views of the Acropolis, the green forested Lycabettus hill and the Saronic islands which have been reported both by the Greek and international press as some of the most impressive in the world.

What is it though that makes St George Lycabettus hotel stand out from the rest?

The gastronomy, the culture, its ecological and philanthropic activity and the emphasis on health, wellness and family values.

THE LOBBY

St.George Lycabettus' reception was refurbished and based on the LIBRARY LOUNGE concept. The library plays a key role in the space, which is enriched with books that promote Greek Culture & History in general, and Athens in particular.

To the left one can find a private secluded area named the "Parthenon" where one can relax, enjoy a book or even enjoy a game of chess on the oversized glass chess board. Another of the highlights of the renovated lobby is the video projects/installations that showcase creations by foreign and Greek artists.
